

Click a graphic to open the Macros Help file.

The image shows a dialog box titled "WordPerfect Office 11 Macro Commands". The main area contains four icons, each with a label below it: a pen and floppy disk for "WordPerfect", a presentation slide and floppy disk for "Corel Presentations", a calculator and floppy disk for "Quattro Pro", and a document with a floppy disk for "PerfectScript". At the bottom right, there are two buttons: "Exit" and "Help".
