

KMT Software, Inc.

KMT Software, Inc., the developer of these Quattro Pro templates, has been a leader in the market since 1991. KMT has developed a wide variety of application template products for various applications including Quattro Pro and WordPerfect. The following three products are available at special prices. Order all of them in the bonus pack for the best possible savings!

If you are interested in having KMT develop templates for your organization, contact us by phone at 978-287-4125, by fax at 978-287-0132, by email at sales@kmt.com, or on our website at www.kmt.com.

If you are a WordPerfect user, inquire about KMT's WordPerfect Template Collection. It includes a variety of WordPerfect, including a variety of consistent business forms, personnel documents, award certificates, spreadsheets and great looking marketing materials. It's just \$29.95 for the entire collection.

WINNING BUSINESS PLANS FOR Wordperfect Office 2000

Turn your Corel Wordperfect Office 2000 into a complete Business Planning System. WinPlans is a comprehensive product designed for Corel WordPerfect Suite that provides a complete and professional looking successful business plan. If you want to LOOK GREAT and get terrific results for a new business or company, act now on this offer.

Winning Business Plans guides you every step of the way:

- A Quattro Pro notebook speeds the development of your detailed financial analysis
- An integrated WordPerfect document has prompting text and embedded links to the Quattro Pro notebook
- A sample company web page is included along with resource links that point you to the Internet
- Winning Business Plans comes with completed sample plans

Winning Business Plans is the most comprehensive business planning product available:

- The Quattro Pro notebook contains detailed financial analysis on Profit and Loss, Cash Flow, Sales Forecasting, Break-even analysis, Income Statement, Balance Sheet and Financial Ratios
- The WordPerfect business plan template contains a complete business plan outline and example prompting text for each section of the plan. The Quattro Pro financials and color charts and tables are automatically positioned in the document
- A complete on-help system is provided. The product even comes with supplemental documents like a non-disclosure agreement, and financial tools like an Average Selling Price and a Break-even Analysis

Valued at \$99.95 Special In-Box Price \$79.95

PERSONAL FINANCIAL PRIMER

Use the power of Quattro Pro to better maximize your personal financial goals. The Personal Financial Primer guides you each step of the way. Select a topic like Personal Net Worth, Retirement Plan, College Savings, and the Primer defines each topic for you clearly -- you just enter the data. The Personal Financial Primer prepares summary worksheets based on your data entry progress. With the primer, you will be able to plan your financial future by better understanding your financial situation.

- Personal Data and Goals
- Personal Financial Statements
- Cash Flow Plan
- Retirement Plan
- 401 K Analysis
- Invested Asset Allocation

Valued at \$39.95 Special In-Box Price \$29.95

THE ULTIMATE FINANCIAL CALCULATOR

With the Ultimate Financial Calculator, you will be able to solve the financial problems met on a daily basis. In one integrated Quattro Pro notebook, the user can easily select over the main menu to solve the following financial calculations:

- Determine the value of a bond; determine the annual yield for a bond if held to maturity
- Establish book and liquidity values
- Quickly determine liquidity and activity ratios
- Calculate debt and profitability ratios
- Determine the present value of a single amount, a mixed stream of cash flows or of an annuity
- Understand the future value of a single amount or an annuity
- Calculate the net present value of an investment with up to 15 years of cash flow; calculate the internal rate of return
- Compute the annual rate of return needed to meet a financial goal
- Determine the real rate of return and the after tax return; ascertain taxable equivalent yield
- Calculate a monthly lease payment for a car
- Determine loan pay-off amount
- Assess a consolidation loan to pay off debt
- Use the refinancing calculator to see if refinancing makes sense
- Compute monthly payments and final payment for balloon mortgage
- Amortize a loan; calculate a biweekly mortgage; determine housing affordability
- Understand your personal safety debt ratio

It's better than having all of your MBA textbooks by your side, because the calculator solves them for you. Valued at \$49.95 Special In-Box Price \$39.95
