# Contents

<b>Preface</b> .....	ix
----------------------	----

---

## *Section I: Getting Started*

<b>1. Why Publish with WebSite Professional?</b> .....	3
How Can I Use WebSite Professional? .....	4
What Comes with WebSite Professional? .....	7
What's New with WebSite Professional 2.0? .....	10
<b>2. Before You Start</b> .....	13
WebSite Pro Installation Requirements .....	13
Hardware Requirements .....	15
Software Requirements .....	16
Connectivity Requirements .....	16
Add-ons and Application Development Tools .....	21
Service or Application? .....	22
To Learn More .....	23
<b>3. Installing WebSite Professional</b> .....	25
Quick Start Summary .....	26
Installing the WebSite Pro Software .....	27
Testing the WebSite Pro Server .....	33
Using the Server's Control or Context Menu .....	37
Creating the WebSite Key Ring Password .....	38
Reviewing WebSite Pro's Server Properties .....	39
Activating the Administrator Account .....	42
Running WebSite Pro as a Service .....	43
Installing Other WebSite Pro Tools .....	46
For More Help .....	48

---

*Section II: Building and Managing Your Web*

<b>4. Managing Your Web with WebView</b> .....	53
A Quick Tour .....	54
Working with the Server View .....	56
Working with the Link View .....	62
Setting Preferences .....	73
Using Other Tools from WebView .....	76
<b>5. Creating HTML Documents</b> .....	81
What Is HTML? .....	82
HTML Conventions and Structure .....	83
Building Upon the Basic Structure .....	88
Defining Browser Action Tags .....	89
Define Content Display Tags .....	95
An Overview of HomeSite .....	102
Creating an HTML Document with HomeSite .....	103
Where to Go from Here? .....	107
Testing Your Work .....	108
<b>6. Indexing and Searching Your Documents</b> .....	109
Why Index? .....	111
Preparing an Index: Overview .....	112
Working with WebIndex .....	113
Searching the Index with WebFind .....	121
Adding Searches to Your Web .....	123
Indexing Your Web from the Command Line .....	127
<b>7. Working with Image Maps</b> .....	131
Getting Started .....	132
Creating and Saving a New Image Map .....	135
Defining Hotspots .....	138
Connecting a Hotspot to a URL .....	141
Editing Hotspots .....	142
Using Grids .....	143
Using Guides .....	144
Testing the Image Map .....	146
Using the Image Map in Your Web Document .....	147

---

*Section III: Administering Your Site*

<b>8. Virtual Servers</b> .....	153
How Do Multiple Identities Work? .....	154
Setting Up Multiple Identities .....	158
Modifying an Identity .....	166
Deleting an Identity .....	167
Reverting to a Single Server .....	167
