

ClickArt Sampler

- **About ClickArt®**

ClickArt is a full line of professionally designed art portfolios for Macintosh, Windows, DOS, NeXT, and Sun environments, from T/Maker Company.

This document contains sample clip art from our bitmapped (72 dpi) portfolios. Please see the enclosed ClickArt brochure for more information about ClickArt (bitmapped, color, and EPS high-resolution portfolios)--or call T/Maker for a FREE catalog.

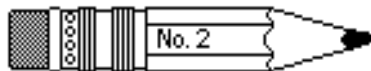

T/Maker Company • 1390 Villa Street • Mountain View, CA 94041 • (415) 962-0195

- **To paste a ClickArt graphic into your document**

Double-click the desired graphic and select **Copy** from the **Edit** menu, then open your document and select **Paste** from the **Edit** menu.
