

Ordering Stella 2000

Stella 2000 costs **£25 (25 pounds)** sterling or **\$45 U.S.**

Payment may be in the form of a **personal cheque** (made out to R. Hughes), **major credit card**, International Money Order, or even the equivalent (check/cash) at present rates in your own **hard currency**.

Regrettably, we must charge a **handling fee** if payment is non-sterling currency, check, or IMO, bringing the total to **\$45 U.S.** at the current exchange rate in whatever other tender you decide to send. We accept all hard currencies as payment.

For orders by **CREDIT CARD** please add a further **\$4** (see below for details). This surcharge is necessary in order to cover the cost of international wire transfers between our bank and our credit card agents, but it's by far the **fastest way to obtain your registered copy of Stella**. Fulfillment times are typically between 12 and 24 hours. You may order online or by phone/fax anytime and from anywhere in the world.

A final alternative is 200 Finnish marks, to which handling need not be added if payment is in cash or any cheque drawn is on a **Finnish** bank.
