

Serif Mega FontPack Preview

This document contains a preview of each of the fonts available from your Serif DrawPlus 2.0 CD-ROM. To install fonts, use the "Fonts" icon of the Windows Control Panel and use the "Add Fonts" facility. The TrueType font files are located in the "Fonts" sub-directory of the Serif DrawPlus 2.0 CD-ROM. If you are unsure how to install fonts, instructions can be found in the Microsoft Windows User's Guide.
