Display drivers

PRESS ALT+F4 TO CLOSE HELP.

The Capture preview displays properly with Windows display drivers that support these resolutions:

- 640x480 16/256 colors(VGA)
- 800x600 16/256 colors(VGA)
- 800x600 16/256 colors(VGA) (Small fonts)
- 1024x768 16/256 colors(VGA)
- 1024x768 16/256 colors(VGA) (Small fonts)

The Capture preview won't display properly if these drivers are used:

- VGA drivers specified as "(Large fonts)"
- 8514/a
- EGA
