

General Information

The ViaVoice SpeechBar displays information that is useful when using Word Pro 98 with ViaVoice. It consists of a ViaVoice button, microphone button, volume display, word history area, and user information.

Press the ViaVoice button to display the following menu items:

Mic On/Off - Turns the microphone on or off

Mic Setup - Starts the Mic Setup program

User Options - Displays the ViaVoice Options tabs

Tools - Displays the Enrollment, Dictation Macro Editor, Vocabulary Expander, or Vocabulary Manager tools

WCIS - Displays the What Can I Say window with some voice commands

Help - Displays the help for the SpeechBar or other ViaVoice speech applications

Appearance - Changes the location of the SpeechBar to docked, taskbar or minimal view

Exit - Closes the ViaVoice SpeechBar application
