

VisiMap Lite 2.5 Registration

Register VisiMap Lite *now!*

How to register VisiMap Lite

A license for the use of *VisiMap Lite* can be obtained by filling out the Registration Application Form found below.

This entitles you to a diskette of the latest version of *VisiMap Lite* together with your personal registration details (which will eliminate the registration reminder screens), technical support via telefax or e-mail and free access (via the internet, etc.) to any later 2.x versions that may be published from time to time.

Just print out one copy of the appropriate form below for each copy you wish to register, fill in the details and forward the form(s) together with your payment to one of the following:

If you are an existing *InfoMap Lite* registered user:

If you are a registered user of CoCo Systems' *InfoMap Lite*, you can upgrade to *VisiMap Lite 2.5* for a discounted registration fee. *VisiMap Lite* is backwards-compatible with *InfoMap Lite*, which means that it will work with all the maps and style sheets you created with *InfoMap Lite*.

To upgrade to *VisiMap Lite*, please contact the same supplier from whom you registered your copy of *InfoMap Lite* for pricing and ordering details. If you registered your copy of *InfoMap Lite* directly with CoCo Systems, you can order your upgrade on-line on the internet at <http://www.coco.co.uk>.
