

Rayman is back... in 3D!

To thank you for purchasing a Rayman game, Ubi Soft Entertainment is offering you a \$5.00 (\$7.50* in Canada) mail-in rebate when you purchase Rayman 2: The Great Escape for your PC between October 1st 1999 and December 31st 1999.

The Mysterious Guild considers Rayman to be the ideal specimen to display in its intergalactic zoo of rare species.

After all, Rayman is the only one of his species in existence! Rayman's friends (Ly, Clark, Globox, the Whale and the Smallbeings) become the target of "Operation Kidnap", the Guild's plan to fill its zoo with the universe's peace-loving residents. Only Rayman manages to escape and decides to free his friends. The elements rage furiously against Rayman: forests, swamps, underground rivers, and waterfalls... descending even to the center of the earth. But he is always ready for action. Rayman can't wait to use some of his cool moves: racing, chasing, water skiing, rock climbing, mountaineering, wild jumps...
