

## License Agreement

You should carefully read the following terms and conditions before using this software. In fact, your use of this software indicates your full acceptance of this license agreement and disclaimer of warranty.

Please feel free to distribute the freeware version of Wintercooler (**not** Wintercooler Pro). However, we ask that you distribute the entire freeware version, with no modification, and without any charge or fee. The freeware version can clearly be identified by the two characters "fw" (without quotes) in the name of the installer (EXE or ZIP) file.

All source is © 2000, 2001 by Liveye. No source or disassembled package can be distributed in part or whole without written permission by Liveye.
