To register online, visit: <http://www.opm-2.com/order/>

After registration you receive full version download link, unlock code and installation instructions. Once you activate this code the program is ready to work. The number of phones allowed by the license is shown in the table above. This value shows maximum number of phones that will be handled by the software simultaneously. Registration/Unregistration of the phones is very simple and convenient. If you changed the phone or bought another one, just choose "Register/Unregister phone" item in "Phone" menu and select what phone(s) you need to be added to (or removed from) your license. Program sends this information to Oxygen Registration Robot. The Robot will provide you with updated registration code. Usually it takes only several minutes. Note that once you removed the phone from the license, you won't be able to use it with [Oxygen Phone Manager II](#) again as removing phone from your license means that you're no longer using it.

Your license includes one year of free upgrades and technical support. After your registration period is expired you can continue using the last full version you have as long as you wish. You also will be able to register new phones to use with the program via our registration robot, but you cannot download and use newer versions of Oxygen Phone Manager. If you want to continue receiving updates and technical support after one year period you have to pay small renew price starting from Eu5.95 per phone.

Special notice for Rented version. You are allowed to register maximum 2 phones with the Rented version of [Oxygen Phone Manager II](#). You are not able to Unregister phones with Rented version.

**7. LIMITED WARRANTY AND DISCLAIMER.** The following limited warranty applies to Unregistered and Registered Copies of [Oxygen Phone Manager II](#).

**Bugs and Program Errors.** We do not promise that [Oxygen Phone Manager II](#) will be free of bugs or program errors. If you report a program error or bug to us, we will use our best efforts to correct it. If we issue a maintenance release for [Oxygen Phone Manager II](#) which includes a correction for an error you reported, we will send you a copy of that maintenance release at no charge. We will only do this for maintenance releases, not for new major releases or other new versions of [Oxygen Phone Manager II](#).

**Hardware damages.** We are not responsible for any possible damages which may occur with your mobile phone or PC during use or misuse of our software. We are also not responsible for any problems caused by original or hand-made connection cables.

**Except for the limited warranty stated above, we disclaim any and all other warranties, express or implied, oral or written, including any implied warranties of merchantability or fitness for a particular purpose. Oxygen Software reserves the right to change this license agreement for the future versions of [Oxygen Phone Manager II](#).**
