2.1. SHAREWARE (FREE TO TRY) LICENSE

The primary user of the computer on which each licensed copy of the SOFTWARE is installed may make a second copy for his or her exclusive use on a portable computer.

Under no other circumstances may the SOFTWARE be operated at the same time on more than the number of computers for which you have paid a separate license fee. You may not duplicate the SOFTWARE in whole or in part, except that you may make one copy of the SOFTWARE for backup or archival purposes.

You may terminate this license at any time by destroying the original and all copies of the SOFTWARE in whatever form. You may permanently transfer all of your rights under this EULA provided you transfer all copies of the SOFTWARE (including copies of all prior versions if the SOFTWARE is an upgrade) and retain none, and the recipient agrees to the terms of this EULA.
