INTRODUCTION

PCMedik is a tool that optimizes your computer performance. Tired of your computer crashing or acting real slow? PCMedik is medicine for your computer and heals these problems from occurring. PCMedik also boosts your computer performance by modifying several system settings, so you can now use that old computer of yours at optimum performance. No installation or modification needs to be made to your hardware; PCMedik does all the complicated settings for you instantly. Try PCMedik for 28 days and if you find it useful please do register.

MINIMUM SYSTEM REQUIREMENTS

- * Microsoft Windows 2000, 2003, 95, 98, Me, NT 4, Vista, XP
- * Microsoft Internet Explorer 4 or higher
- * Intel Pentium 90 MHz or higher
- * 8 Mb RAM (32 Mb recommended)
- * 5 Mb hard disk space
- * VGA or higher resolution monitor
- * Mouse or other pointing device

INSTALLING THIS PRODUCT

To install this release to your computer, double click on the file pcomedik.exe that you downloaded from our website and follow the instructions that appear on the screen.

UNINSTALLING THIS PRODUCT

To uninstall this release from your computer, open the Control Panel folder and double-click the Add-Remove Program icon. Select PCMedik from the list, click the Add/Remove button, and follow the instructions that appear on the screen.

Notes:

- * You may also want to delete the following registry key
HKEY_LOCAL_MACHINE\Software\PGWARE\PCMedik

If you do not delete these registry entries then no effect to your computer will occur. Deleting this key allows you to completely remove all traces of the software from your computer. If you have registered the software and choose to reinstall the software after deleting these registry entries then you must input the serial number once again within the software.

REGISTERING THIS PRODUCT

PCMedik is shareware; this means it must be purchased before all benefits of the software are available. To remove the trial restrictions within PCMedik please purchase the product online, phone, fax or by mail. PCMedik costs \$11.99 US Dollars and can be purchased from setSystems.

You can register online using your credit card. setSystems offers secure transactions for users of Netscape or Microsoft Internet Explorer. To go to the registration page for PCMedik go to:

<http://www.pgware.com/store/?product=pcmedik>

- OR -

You may also purchase by PayPal at:

<http://www.pgware.com/store/?product=pcmedik&type=paypal>

- OR -

You may also purchase by Bank/Wire Transfer at:

<http://www.pgware.com/store/?product=pcmedikt&type=wire>

- OR -

You may also purchase by Mail with a check/money order at:

<http://www.pgware.com/store/?product=pcmedik&type=check>

- OR -

Also you can call the toll-free number 1-888-2017131 to purchase. Callers from outside the US should call 1-719-5760115.

- OR -

Finally you can fax in the order. Include your full name, address, phone number, credit card details and your email address. Make sure to reference Product - PCMEDIK. Faxes should be sent to: 1-719-6230399.

Upon registration (allow up to 1 working day for your registration to be processed) you will receive your registration serial number. This will be sent by e-mail if an e-mail address was specified when registering. When you receive your serial number, please enter the User/Serial into the program's registration screen and hit OK. The software will then behave as a fully licensed version.

TECHNICAL SUPPORT

There are several ways which you can reach us to receive technical support. Registered customers have priority over non-registered customers in all cases. Most support questions will be handled within 24-48 hours.

<http://www.pgware.com/support/>
support@pgware.com

Tel: 1-877-4PGWARE (US & Canada) - CUSTOMERS ONLY

Fax: 1-815-4258539

Questions, comments and technical support is provided between Monday - Friday from 8am - 5pm. Please note however we are closed on major holidays so replies to your requests may be significantly delayed.

DISTRIBUTION

For so long as the Software is the most current version of PCMedik distributed by PGWARE, you may give exact copies of the evaluation Software to anyone. You may not charge any fee for the copy or use of the evaluation Software itself, but you may charge a distribution fee that is reasonably related to any cost you incur distributing the evaluation Software (e.g. packaging). You must not represent in any way that you are selling the Software itself. Your distribution of the evaluation Software will not entitle you to any compensation from PGWARE. You must distribute a copy of this license with any copy of the Software and anyone to whom you distribute the Software is subject to this license. You may not remove any copyright, trademark or reservation of rights language displayed on, in or with the Software. You may also not include any registration number, serials or methods to circumvent the Software protection mechanism.

VERSION HISTORY

* 6.1.8.2007 - Fixed problem where Kaspersky Antivirus would give a false positive report due to the compression of the main executable.
