#### **Shareware Version** **Evaluation and Registration**

This is not free software. Subject to the terms below, you are hereby licensed to use this SOFTWARE for evaluation purposes without charge for a period of thirty (30) days. If you use this SOFTWARE after the 30-day evaluation period a registration fee is required. If you happen to go over your thirty (30) day evaluation period without realizing it, the SOFTWARE will remain functional as a convenience to those of you who must get critical work done before you have a chance to purchase a license. The registration fee grants you the right to use this SOFTWARE for unlimited time, and allows you to unlock the program to its full potential. When payment is received you will be sent your own personal registration code.

#### **Registered Version**

One registered copy of SOFTWARE may either be used by a single person who uses the SOFTWARE personally on one or more computers, or installed on a single workstation used non-simultaneously by multiple people, but not both. You may access the registered version of SOFTWARE through a network, provided that you have obtained individual licenses for the SOFTWARE covering all workstations that will access the SOFTWARE through the network. For instance, if 5 different workstations will access SOFTWARE on the network, each workstation must have its own SOFTWARE license, regardless of whether they use SOFTWARE at different times or concurrently.

### **2. SCOPE OF GRANT**

You may not decompile, disassemble or otherwise reverse engineer the SOFTWARE, or engage in any other activities to obtain underlying information that is not visible to the user in connection with normal use of the SOFTWARE. You may not modify, rent, or resell for profit this SOFTWARE, or create derivative works based upon this SOFTWARE. You may not publicize or distribute any registration code algorithms, information, or registration codes used by this SOFTWARE without permission from the AUTHOR.

In no event shall the AUTHOR's liability exceed the purchase price of the SOFTWARE.

### **3. COPYRIGHT**

This SOFTWARE is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

### **4. DISTRIBUTION**

Only the shareware version of this SOFTWARE may be freely distributed.

Provided that you verify that you are distributing the shareware version, you may distribute this SOFTWARE on on-line services, bulletin boards, or other electronic media provided that it is not modified and the original archive remains intact with all accompanying files, and provided that no fee is charged. This SOFTWARE may be distributed on CD-ROM, disk, or other physical media for a fee without the permission of the AUTHOR.

### **5. TERMINATION**

The license will terminate automatically and the SOFTWARE unregistered if you fail to comply with any of the above terms and conditions. The license may be terminated by either party at any time and without notice.

### **6. DISCLAIMER OF WARRANTY**

THIS SOFTWARE IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND.
