

All-in-One SECRETMAKER Send @WL notification messages

What is the Send @WL notification messages feature?

While activated All-in-One SECRETMAKER will send each of the email recipients that are entered into the white list the following notification message:

“I am sending you this message as part of the activation process of my All-in-One SECRETMAKER software:

My emails are now managed by the Spam Fighter from All-in-One SECRETMAKER. Your email address has been added to my Spam Fighter White List. Adding your address to the White List means that I will always receive any email you send to me.

All-in-One SECRETMAKER is a powerful and smart freeware which includes Spam Fighter, Pop-Up Blocker, Banner Blocker, Privacy Protector, Cookie Eraser, Worm Hunter, History Cleaner, Intruder Blocker protect from SPYWARE, TRACKWARE and other harmful programs and more. WWW.SECRETMAKER.COM”
