## Talk to Me

I would love to hear your questions, comments, complaints, suggestions, and reasons why my subtitle font size should be 14 and not 18 [=]. You can find my e-mail address at the beginning of this guide (see About the Author, Chapter 2). All letters or e-letters are welcome!

## Your Own Fun Things to Do

Above all, I want more Fun Things to Do! Send in your descriptions, pictures, movies, whatever! I may include it in my book! This book has a lot of potential and it's you who can make it big. I will have a Credits section where I will list the names of all the people who send in their Fun Things to Do.
