About this CyberGauge 2.0.2 Patch...

This patch will update your CyberGauge version 2.0 to version 2.0.2.

If you have a CyberGauge version 1.0 or 1.1, please run the CyberGauge 2.0 Patch in order to update to version 2.0, then run this patch. You can find the CyberGauge 2.0 Patch on Neon Software's ftp site: ftp.neon.com/pub/updates.

You should also run this patch with extensions disabled.
