

# Index

Many solitaires are known by more than one name; some of them share names. If there's a solitaire that you don't find listed in the Chapter menu, it may be in Solitaire Till Dawn under a different name. Here we've listed as many alternate names as we could find for all the games in Solitaire Till Dawn.

The names in bold face are the ones used in Solitaire Till Dawn and this manual.

Accordion—aka Idle Year, Methuselah, Tower of Babel.

Aces High—aka Aces Up, Firing Squad, Idiot's Delight.
