

Tabby Cat

Tableaus build down circularly, regardless of suit or color. Full or partial builds may be moved among the tableaus. Empty tableaus may be filled with any available build.

Any available build may be moved to the tail, if it is empty.

Available builds of thirteen cards, from King down to Ace, may be moved to an empty foundation.

Deal one card onto each tableau by clicking the hand.

Goal: Move all cards to the foundations.
