This month's note: MacMadness, a popular website that lists links to interesting news items, worthy software, and more each and every day, has become a member of the Apple Wizards family! That's right, Apple Wizards essentially has a daily site now. Visit MacMadness at http://macmadness.applewizards.net/ and don't forget to tell your friends!

And remember, each month in the 'Warehouse column, Brian gives away

cool shareware in a trivia contest. Scroll to the bottom of the 'Warehouse column and enter to win!
