About Semicolon Software

Semicolon Software offers commercial-quality Macintosh software, distributed as shareware and sold at low shareware prices. We currently offer a selection of games and utility programs. Many of our products have been favorably reviewed in magazines and e-zines including Macworld, MacUser, Byte, and TidBITS, and are frequently included in "best of shareware" books and collections.

If you have a World Wide Web browser, you can find latest versions of all of our products including Solitaire Till Dawn, along with descriptions, screen shots, feature lists, news, and reviews, in our Web pages at:
