

How to Purchase

Solitaire Till Dawn is distributed under the shareware system. This means that you may take a copy home and try it out for a week or two. After that time, you must either pay for it, or delete it from your disk.

To purchase Solitaire Till Dawn, use the Register program that comes with the Solitaire Till Dawn package. Using Register allows you to pay by check, credit card, cash of many nations, or First Virtual.

1. Open the Register application by double-clicking its icon. You'll see a window titled "Register."
2. Fill in your name and addresses in the boxes at the top of the window.
3. Find Solitaire Till Dawn in the scrolling list of products.
4. How many copies? Fill in the number of copies you want in the Solitaire Till Dawn "Single User" box.
5. Choose your method of payment from the pop-up menu labeled "Method."
6. Send in your payment. Payment should be sent to our distributor Kagi Shareware by following the directions in the "Payment Details" box.

After You've Paid

Open the Preferences window in Solitaire Till Dawn, and put a checkmark in the box labeled I Paid. This will turn off the shareware reminders that you have been seeing in the startup screen and in other places in the program. Thank you for supporting shareware!

Please be aware that the version of Solitaire Till Dawn that you downloaded should be complete and fully functional. We do not generally send anything back to you when you have paid. (Kagi Shareware will send an acknowledgement via email if you give them an email address, and will send a paper receipt if you request one and give a postal address.) The latest version of this program is available for downloading from our Web site at <<http://www.semicolon.com/>>. If you feel that your copy is not complete, or if you do not have the latest version, feel free to visit

our Web site and download a new copy.

If you have any questions about your payment after you've made it, send email to our payment service Kagi Shareware at admin@kagi.com, and send a copy of your email to us at rick@kagi.com.

Questions about Solitaire Till Dawn itself should be sent only to us at rick@kagi.com. Kagi Shareware is only a payment service and cannot provide technical support.
