

remember to click on the pictures for captions and other goodies!

This month's note: Next month, Apple Wizards will be available in an online format only. Why? Read the From the Desktop column to find our reasoning.

Due to a bug in Apple's Font Smoothing system (we really hope they fix it soon), please set your font smoothing to 13-point text or higher, then open our magazine again. This should fix any "pictures overlapping text" problems.
