coreboard

The score board effect makes your video clip look like it's being displayed on a sporting event score board.

Settings

ulb Size
You can vary the size of the virtual bulbs in the scoreboard using this parameter.

Bulb Color
There are 4 choices for the color of the bulbs in the scoreboard. You can have green, amber, black and white, or color bulbs.

Bulb Shape
You can choose to have either round or square bulbs in your virtual scoreboard.
