X-Words

X-Words is Scrabble, really. A fantastic electronic edition of Scrabble.

What you need

Mac Plus and System 4.1 or later.

nstallation summary

Open the SOFTWARE SAMPLER folder on the CD-ROM. Open the X-Words folder. If you like, drag the X-Words folder to your hard drive.

The Manual

The manual is built into the program; choose About X-Words from the Apple menu. Use the pop-up menu to change topics.

Notes and credits

Shareware ($20) from Andrew Trevorrow.
