Programs for Word for Windows
(GO MSWORD on CompuServe):

These Programs Require Both Windows and Word for Windows.

- **3.5" Disk Template**: Now you can quickly print your own 3.5" disk labels as quick as you can type. Any type may be used. Labels right out of the disk box work fine. Has macros and a toolbar of its own for great ease of use. $5. Included in September 1994 CompuServeCD. 35LAB.ZIP

- **CD Player for Word:** Now you can enjoy CDs while you do your work. Has a Title database which actually remembers the CDs title and author, a Random (Shuffle) Play, Fast Forward, Fast Rewind, Skip Tracks, Pause, and Eject. Even plays CDs in the background. $15 CD.ZIP.

- **Full Set of Colored Toolbar Icons**: Jazz up the dull Word Work Place. With this set of colored toolbar icons, one can liven up presentations, and enhance productivity. Comes with 3 full color toolbars filled with icons. $10. Included in September 1994 CompuServeCD. AFCOLICO.ZIP

- **Business Cards AMF**: Creating custom business cards has never been so easy! Allows the creation of business cards catered to the user's tastes. Has macros to copy one card to the rest of the cards. Designed for ten card stock. $5 AFCRD.ZIP

- **Toolbar Doubler**: Time and space saver! Allows two Word toolbars to occupy the space of one. Very effective and easy to use. Now fully customizable. Just press a button. $15 TB2X.ZIP

- **WinFax Pro and Word Fax Macro and Template**: Faxing has never been so easy or convenient. Takes full advantage of WinFax Pro's vast options. $10 WFXPRO.ZIP

- NEW **Wordware Personal Information Manager for Word**: Finally, a PIM comes to Word. Easy to use and very efficient. *Superior Shareware* Dial the phone, print a colorful address book, add an address to a document or business letter, create an envelope, and much more! Now supports up to 21,000 entries, the fastest BACKGROUND Faxing, and looks and feels like a real rolodex. Imports databases, Searches, Creates Letters, Dials Voice Mail, Faxes, and so much more! Manages an entire business! **SUPERIOR SHAREWARE** in **WINDOWS November 1994 Issue.** Included in September 1994 CompuServeCD. $15 PIM.ZIP (Screen Shot Follows)

- <mark>NEW</mark> **Wordware'95 for Word for Windows:** The hottest collection of 60 macros and templates. Wordware is a complete people management, project management, and file management solution for Word. A full-fledged Personal Information Manager is included as well as a full-function CD Player. Wordware greatly enhances Word's native capabilities. It has a Multimedia Player which will play all multimedia files, a quick command line, Windows Exiting Features, Lock Word, Close All Files and Exit, Print Summary Information, Chicago-Like Windows Titlers, WinFax Macros, and many, many others- all in one compact package. Wordware adds greater productivity and makes using Word easy. Ziff Davis Interactive calls Wordware "an intriguing set of macros for MS Word... which add workday productivity..." $39.95/ $24.95 upgrade. Included in September/October 1994 CompuServe CD and PC Novice, February 1995.

Programs for Windows
(GO WINSHA on CompuServe):

These Programs Require Windows as Well As The Visual Basic Runtime Library, VBRUN300.DLL, available widely as VBRUN3.ZIP.
These Programs Run in Both Windows and Windows 95.

- <mark>NEW</mark> **Elbow Grease for Windows v2.0 (ELBOW.ZIP):** The Ultimate, Easy to Use, Program Manager Enhancement. Features 40 launch button toolbar with large buttons, resource monitors for memory and disk space, clock, perpetual calendar to the year 9000, Appointment Book and To-Do List to schedule events until the year 9000. Drag & Drop File Manager Launching, Built in Games like Tic-Tac Toe, ToolTips help which the user specifies (works like MS office). All this in 1.5 inches which sits at the bottom of your screen. Easy to use and operate. Full help included. Needs VBRUN300.DLL. $19.95 ELBOW.ZIP Ziff-Davis Interactive: "Four Stars."

- **AMF Intelligent Organ/Synthesizer (ORGAN.ZIP or AORGN.ZIP):** Now you can click your way to stardom. The first Organ to offer features such as 127 instrument/voice selection, volume control, octave control and RECORDING CAPABILITY as well as PLAYBACK CAPABILITY. This organ actually looks and works like an organ. Has an auto playback feature which makes it look like someone is actual playing! Works like a CASIO keyboard-- but easier! Try it- a guaranteed favorite. Full help included. Needs VBRUN300.DLL. $11.95 ORGAN.ZIP

- <mark>NEW</mark> **Mouse Clock ™ (MCLOCK.ZIP):** Mouse Clock is the only cursor enhancement you'll ever need! Mouse Clock virtually becomes part of your mouse pointer. It stays out of the way, while providing you with the current time and free system resources. Now has a rate clock and supports 24-hour format. Can stay on top, or put behind Windows when you no

longer require its use. Easy to use and fully configurable. Another very handy utility from AMF. Requires VBRUN300.DLL. $10.00 MCLOCK.ZIP

- **NEW AMF Multimedia Jukebox (JBOX.ZIP):** Play any multimedia file effortlessly in seconds! Plays AVI, MID, WAV, VOC, MOV, FLI, FLC, etc. A beautiful 3-D interface. Allows any file to be played as many times as you want. Save pre-programmed lists of your selections, and open and play them with one click. Easy to use and operate. Full help included. Requires VBRUN300.DLL. $10.00 JBOX.ZIP

- **NEW AMF Daily Planner & Personal Information Manager for Windows v5.1 (WPIM.ZIP):** This PIM is the easiest one you will ever use. A full drag and drop interface is included with a perpetual calendar and planner to the year 9000. Beautiful 3-D, professional look. Store up to 30,000 entries in the Rolodex Style Phonebook. Yellow Pages and White Pages and full searching capabilities included. Store more than 25 items per entry with two user-customizable fields. Support for up to 5 phone numbers per entry is included. Dial the phone, Fax Documents using Delrina's WinFax Pro 4.0. Now with full CallerID support so logging of incoming and outgoing phone calls is a snap. Instantly view the data of the incoming caller. Create business letters, schedule appointments with just a drag and drop. Edit and save text files, print them in any font you want. Create beautifully formatted reports of all your phonebook entries. Fits the FiloFax standard, as well as many others such as Day Runner, and Day Timer. Create envelopes and labels with multiple fonts and colors. Set up to 1,440 alarms per day, and set alarms in the future. Stores an immense amount of data per day. Keep multiple years worth of data at your finger tips. Great for tax records and business planners. No restraints- store your appointments any way you want. Easy to use. Calculator and Clock included. A Personal Task List is included to balance daily tasks. View your appointments at a week at a glance. Anniversary, birthday, holiday reminders are a snap with the Event Master ™. Keep those weekly events in control with the Repetitive Task Manager. Mail Merge or Merge Print a letter to all your contacts. NO TRAINING required. Import data using .MDB Access databases, or use tab or comma-delimited text files using the revolutionary Import Wizard ™. Context sensitive help is included. Please see the help file - PIM.HLP for more information. Requires VBRUN300.DLL.WPIM.ZIP $21.95 ($15 for upgrade) (Screen Shot Follows)
