## Welcome

***TurboZIP*** – ***Total Archive and E-mail Management!*** In addition to performing basic zipping, unzipping, disk spanning, and decoding functions, TurboZIP also provides automated backup, as well as multiple zipping and unzipping capabilities. It comes with built-in viewers that enable the users to manage, view, print, copy, search, launch, and virus scan files from within archives and encoded e-mails without unzipping or decoding. The unique Auto-scan and ZIP Set features make archive and e-mail management a snap.

This Evaluation Version of TurboZIP for Windows 95/98/NT works for thirty (30) days.   It will no longer work afterwards.   In order for you to maintain uninterrupted use of TurboZIP, you must purchase the full end user license.
